# SAAFPAKISTAN

## REVOLUTIONIZING RECYCLING IN PAKISTAN

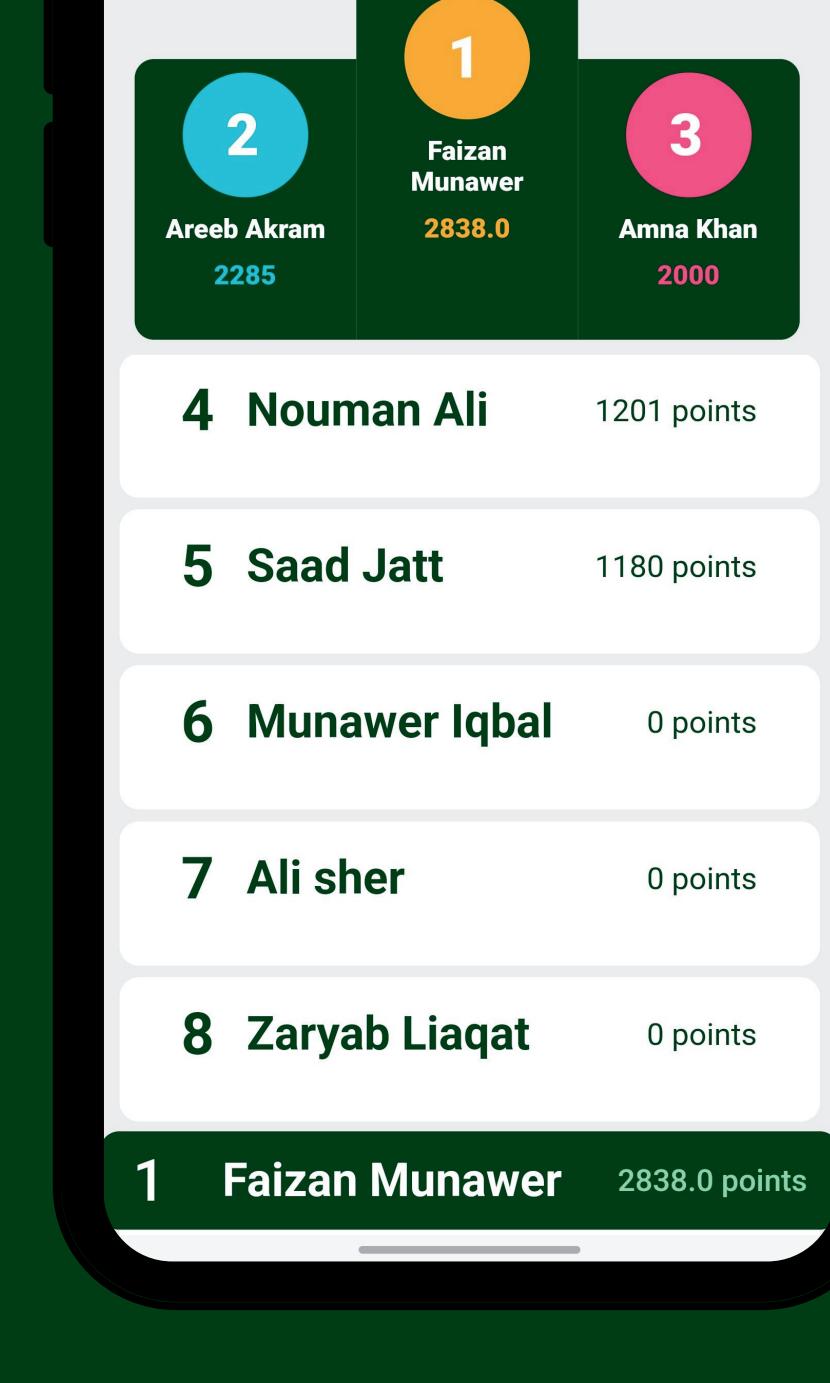

### Dashboard

Easily schedule recycling pickups, view your personal recycling stats, and much more on your SaafPakistan dashboard

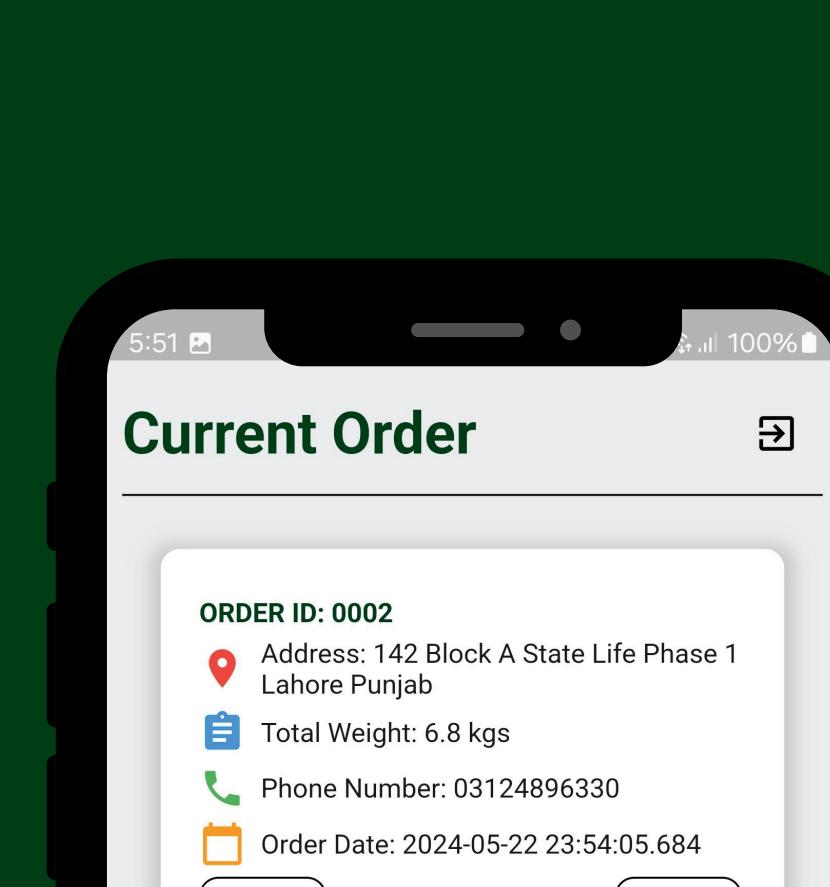

### Gamification

A dynamic leaderboard system for individuals and businesses, fostering a sense of competition. Connect with friends, add them to your network, and compete to see who recycles the most.

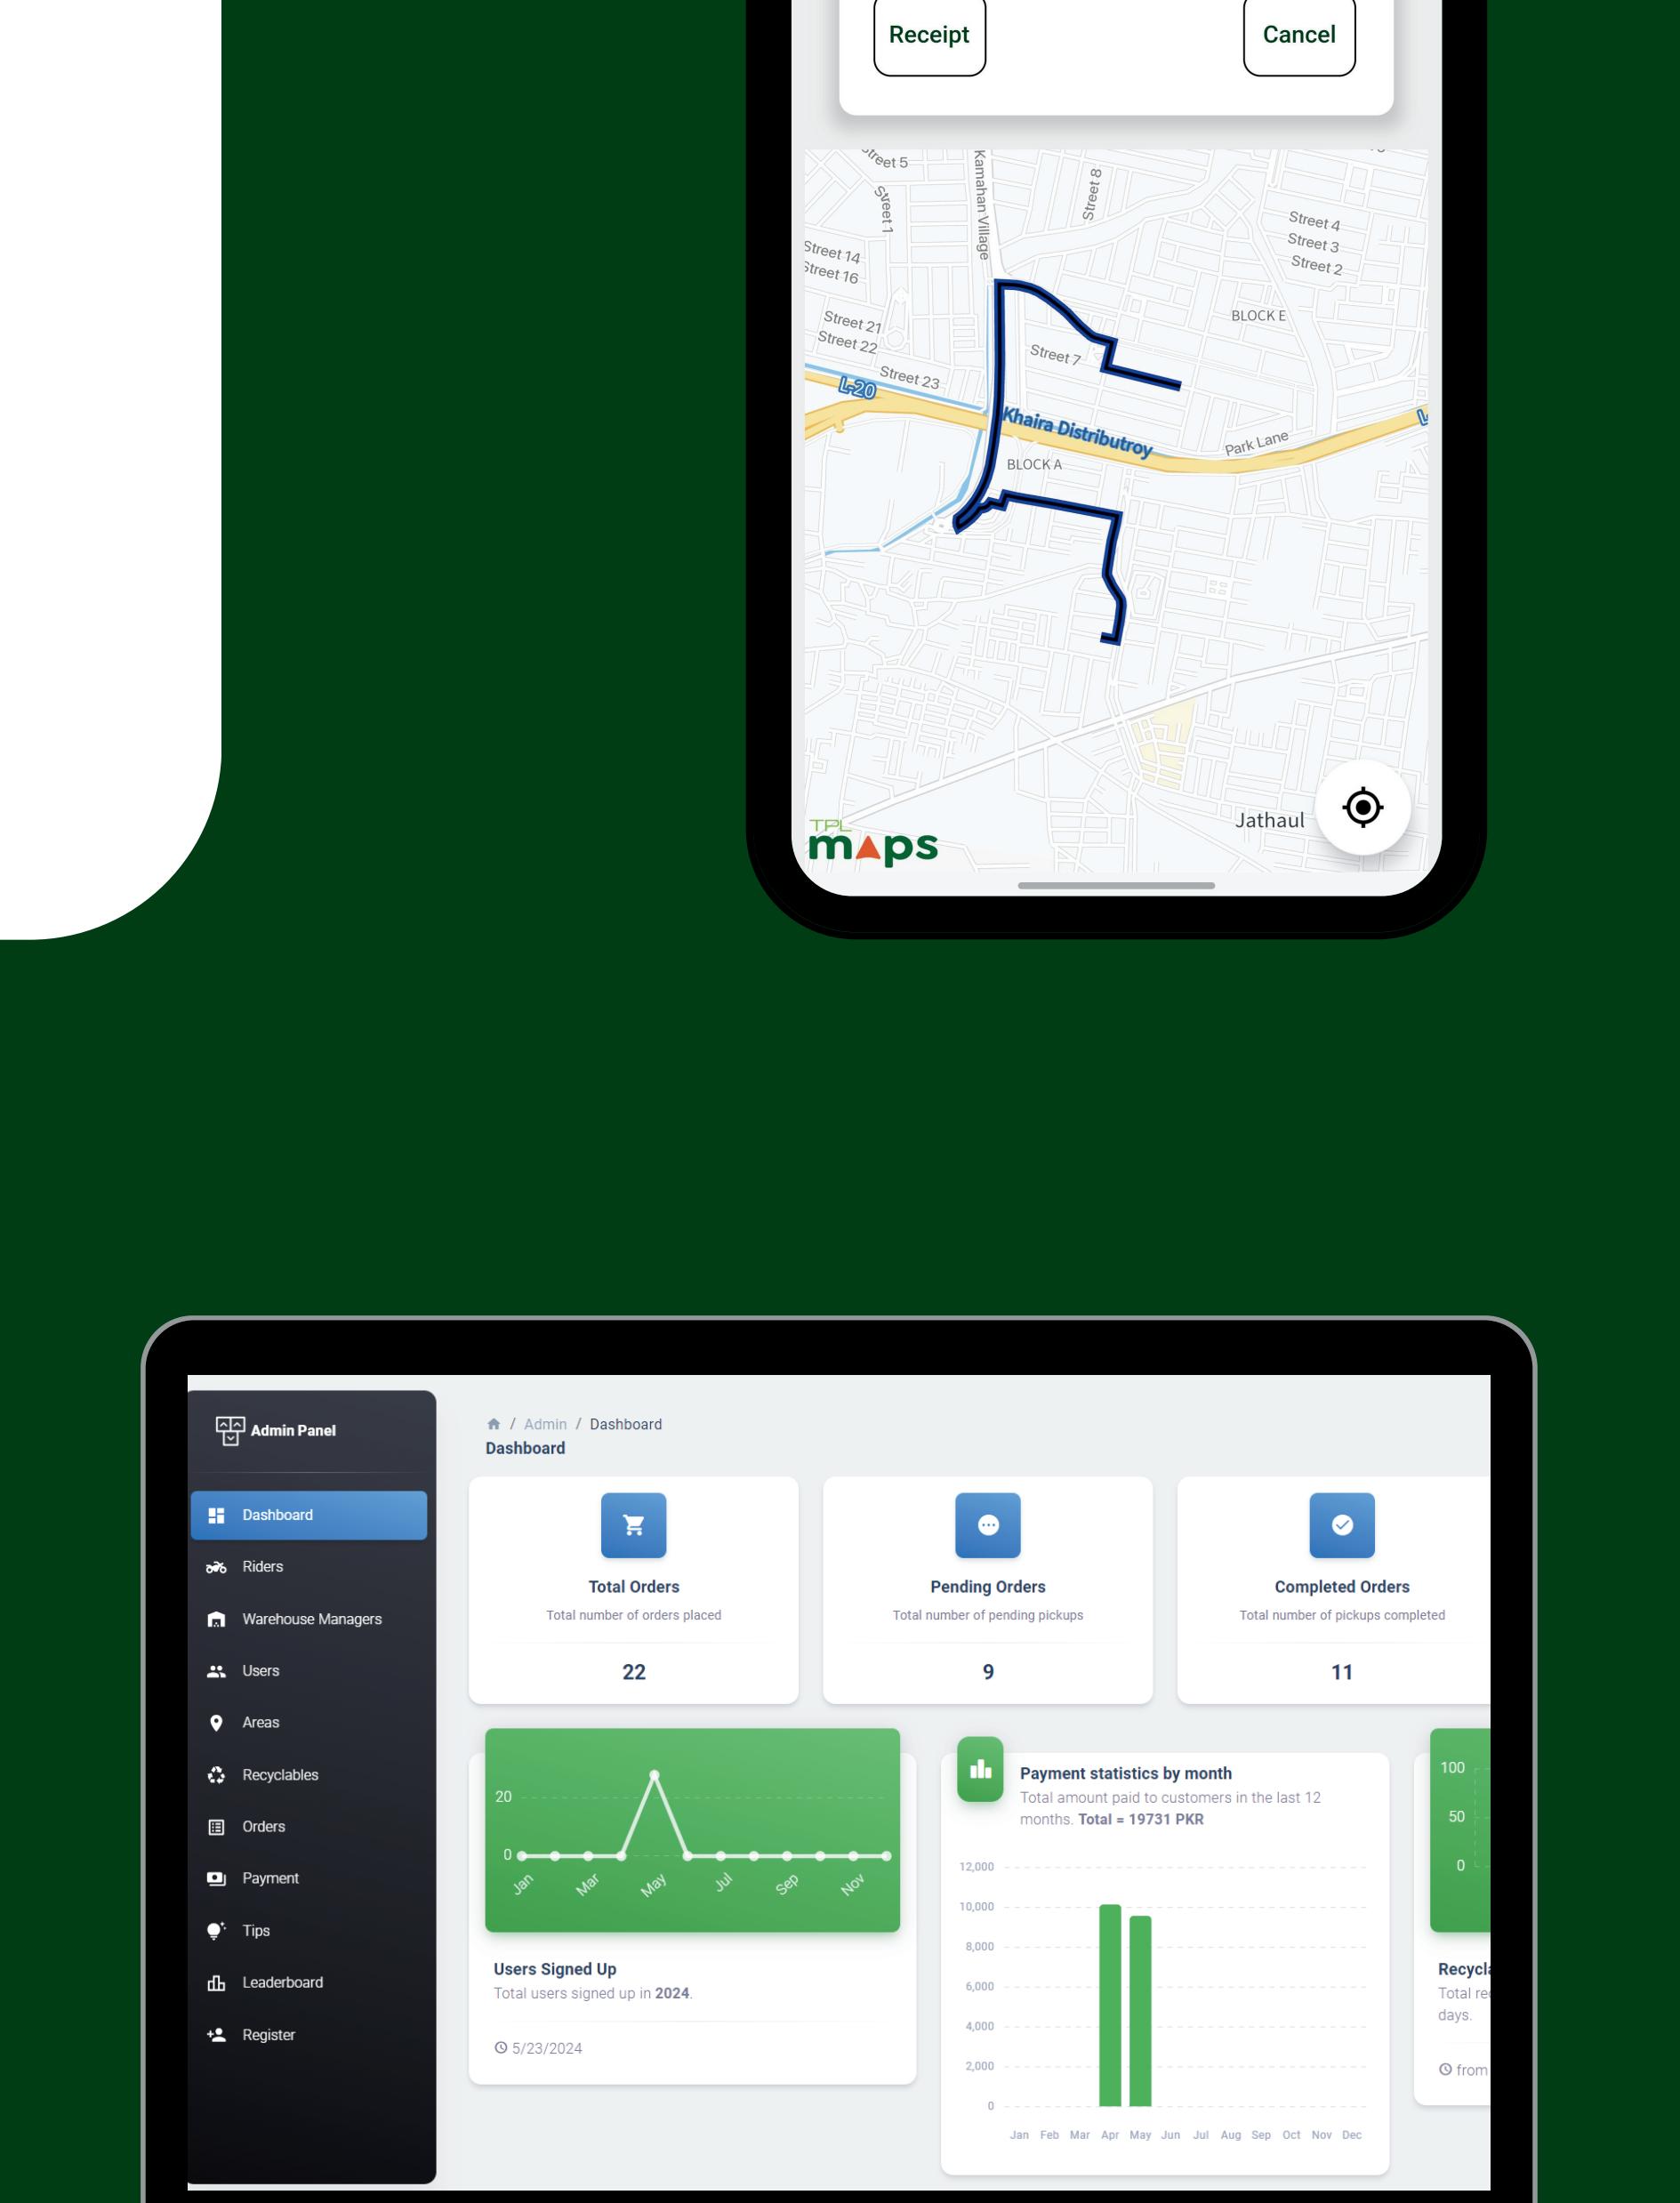

### Dedicated Rider App

View and complete assigned pickups, with integrated maps for seamless navigation

### Admin panel

Centralized hub for managing and overseeing system functionalities.

### Collaborated With TPL for Map Integration

NSIT Innovation Awards (Environment Category) Finalists
